

# Waterloo North Mennonite Church Structural Relationships 2014

**WE RESOLVE** to be a worshipping community of Christ's disciples whose life together illustrates God's mercy as we care for one another.

**WE DECLARE** that God calls us to be faithful caretakers of the resources and gifts which each has received from God's bountiful hand.

**WE COMMIT** ourselves to making visible God's kingdom by calling people to faith in Christ and by promoting justice and peace in God's world.
