PRAISING

Chiming to Worship and Silence

Call to Worship

One: Awake! The invitation to carry light comes from the voice
who cries out for a smooth way through wild places.

All: O God, your call is uncomfortable.

**How can we who are weak remove the rough and rugged
places?**

Silence

One: Quiet our questioning souls.

All: Lead us into your presence so all can see your way.

One: Let it be so.

Hymn #178 HWB (Blue) *Come, Thou Long-Expected Jesus*

CONFESSING and RESPONDING

Confession in unison:

O God of blazing heavens, you come to us gently and tenderly,
speaking peace and comfort into our fear.

We long for you, we yearn for your promise of a new heaven
and earth.

Yet we confess that though we know how to get busy and
prepare for this season, we do not know how to slow down or
wait and make space for your presence.

May our ordinary lives intersect with the power of your Word
and the transforming presence of your grace.

Empower us to "let it be so".

Benediction

Focus statement: We long to be comforted, we long for change.
Moving from uncertainty and fear, we call upon God to make things
ready—the mountains leveled, the paths made straight, our hearts
prepared.

*During the offering, donated mittens, hats and socks can be hung on
the tree.

***With gratitude and respect, we recognize that we are
worshipping on the traditional land that once belonged to
the Haudenosaunee and Anishnaabe peoples.
We regret the lack of respect given to the Indigenous people
in the past, and pledge to work for justice and reconciliation.***
