

MY TREE

One Night Only @ The Registry
March 1, 7pm

Film screening & discussion

March 1

7pm

The Registry Theatre

122 Frederick St, Kitchener

My Tree follows a Canadian, Jason Sherman, on an odyssey to find the tree planted in Israel to mark his bar mitzvah when he was 13. He discovers that it stands where a Palestinian village was destroyed in 1967. The search for the tree becomes Jason's personal journey, and a journey into the history of Israel itself.

Join Jason and guests for a discussion and reception after the film.
